**Invitation for Bid No: GTA-IFB-2023-001
15-Year Term Infeasible Right to Use (IRU) Capital Lease of 100 Gbps of an
Asia Pacific Cable System between a Guam Cable Landing Station and Peering
Location in Tokyo, Japan**

Response to Question

Question #25: I think what would be very helpful is to better describe what will be the compliance requirements for the potential supplier under this program/grant. Is this better described in the updated RFP?

Response: Compliance requirements are described in the bid package sections:

- II. General Terms and Conditions
- III. Standard for Determination of Lowest Bidder
- V. Specifications
- VI. Tasks
- VII. Bidder Responsibility and Bid Responsiveness Criteria
- VIII. Contract Terms and Termination
- IX. Federal Award Contract Requirements
- X. Required Forms

Amendment #6 identifies the changes from the previous bid package inclusive of updates to Cable System Specifications.
