II. APPLICATION OF RATES

- A. The rates and charges listed in this section apply to the Local Exchange Service provided by GTA in its authorized service area.

The telecommunications services described in this section are subject to the other rates, charges, rules and regulation of the General Exchange Tariff in its current form or as it may be revised in the future.

- B. The Local Exchange Service rates and charges specified in this section are for basic local exchange service and facilities only except as noted in ILE below. The rates for other ancillary services or facilities not specifically shown in this section are presented in other sections of this tariff.
- C. Unless otherwise specified, the rates and charges quoted in this section are for a minimum period of one month, payable in advance and provide unlimited flat rate calling within the exchange area.
- D. Trunks are required for local access connections terminating in, or for use with, customer-provided premises equipment with switching capability (Private Branch Exchange or PBX).
- E. Effective July 1, 1994, ownership of telephone sets previously furnished and maintained by GTA for all straight line customers shall be transferred to the customers, who shall be responsible for the repair and maintenance of telephone sets connected with GTA's local exchange lines.

III. SCHEDULE OF RATES AND CHARGES (cont'd)

C. Individual Case Basis (ICB) Arrangements

1. Arrangements will be developed on a case-by-case basis in response to a bona fide request from a Customer or prospective Customer to develop a competitive bid for a service offered under this Tariff. Rates quoted in response to such competitive request may be different than those specified for such services in this Tariff. ICB rates will be offered to the Customer in writing and on a nondiscriminatory basis:
 - (a) ICB's will be offered only to business or government customers having or ordering more than 10 access lines;
 - (b) Rates for services provided under competitive bids shall not exceed the tariff prices where specific charges are provided in the tariff;
 - (c) The ICB prices contained in any contract should be available to any similarly situated customer.
